Under the Investors' Rights Agreement, holders of registrable shares can demand that the Issuer file a registration statement or request that their shares be included on a registration statement that the Issuer is otherwise filing, in either case, registering the resale of their shares of Common Stock. These registration rights are subject to conditions and limitations, including the right, in certain circumstances, of the underwriters of an offering to limit the number of shares included in such registration and the Issuer's right, in certain circumstances, not to effect a requested S-1 registration within 60 days before or 180 days following any offering of the Issuer's securities, or a requested S-3 registration within 30 days before or 90 days following any offering of the Issuer's securities.
